

# Eşref Burak Kaya

Computer Engineer, Backend Developer

ebkaya.0637@gmail.com

+90 (531) 941 81 32

Ankara, TURKEY

## ABOUT ME

I am a Computer Engineer who is talented in his field, open to learning and can learn easily. It has been my dream to be good at Backend Development since the first years of university. I am a person with a high level of communication, prone to teamwork and able to look from different perspectives. I trust my problem-solving skills with the support of my teammates, and I attach great importance to exchanging ideas on this issue. I think that I am a talented, good teammate with these features.
